

Traditional banks don't understand Rural America.
We do.

Our customers are innovative entrepreneurs, discerning business owners, and generous employers. They're market-savvy professionals who customers can't do without – and typical lenders can't understand.

Types of Loans:

Business & Industry

Renewable Energy for America

Community Facility

Prequalify

Because NAC loans are guaranteed by the USDA, their guidelines are used to prequalify your business, as follows:

Discounted Collateral

Valued at Loan Amount or Greater

Loan Amount

\$1 MM to \$25 MM

Population

50,000 or Fewer according to USDA

Tangible Net Worth

10% (Existing Co.)
 20% (Startup Co.)

Why choose NAC?

- Availability of Capital
- Nationwide Reach
- Simplified Loan Structure
- Expanded Collateral
- Early Stage Businesses
- Amortized Working Capital
- Assumable Loan Terms
- No SBA Limitations
- Construction to Permanent

We're business owners too!
